Dear President Lue-Hing:

Letter of Release from the Sanitation Districts of Los Angeles County

"IERCA – A Regional, Cost-Effective Approach to Sustainable Organics Management" as described in the attached entry for the 2010 AAEE Excellence in Environmental Engineering Award Competition, is a management project co-developed by the Sanitation Districts of Los Angeles County. All information contained herein is released without qualification as an entry in your awards program.

Additional information requests or questions can be directed to Sam Pedroza, Environmental Planner for the Sanitation Districts. He can be reached at (562) 699-7411, extension 2310 or at spedroza@lacsd.org.

Very truly yours,

Stephen R. Maguin
